

## 710 Watt Die Grinder GEP 710 Plus

- Paddle switch with deadmans function: safe to operate due to an ergonomically integrated non-slip switch
- Long grinding spindle - ideal for working on hard to reach places
- Spindle lock for simple change of tools
- Aluminium die-cast bearing flange for long service life of the machine
- Vario-Constamatic (VC)- Electronics for work with materials requiring customised speeds, which remain almost constant under load
- Thumbwheel for Speed Preselection
- Electronic safety shutdown of the motor for safe working in case the tool stops unexpectedly
- Restart protection: prevents unintentional start-up after power supply interruption
- Electronic overload protection for long service life
- Precise collar for stationary use
- Removable protective rubber cap for comfortable and safe working
- Slim design for ideal handling
- Precision collet for precise concentricity
- Metabo Long-life motor with patented dust protection for long service life

<b>Order no.</b>	<b>600617420</b>
<b>EAN code</b>	<b>4007430213563</b>

No-load speed	10.000 - 30.500 rpm
Rated input power	710 W
Output power	430 W
Revolutions at rated load	24.000 rpm
Collar diameter	43 mm
Collet chuck bore	6,35 mm
Weight (without power cable)	1,6 kg
Cable length	2,6 m

### Scope of delivery

Collet 1/4", Protective rubber cap, 1 Open-jawed spanner
