

2,400 Watt Angle Grinder WEPB 24-180 MVT with mechanical disc brake

- Metabo Long-life motor with patented dust protection for long service life
- Highest degree of user safety thanks to mechanical disc brake and deadman's switch: disc stop in 2.5 seconds after releasing even in case of a power cut
- Electronic safety shutdown: reduces kickback if the disc stops unexpectedly - for high user safety
- Rotating back handle and side handle can be mounted at 3 positions for optimum handle position also when cutting
- Tool-free adjustable guard; twist-proof
- Starting current limitation prevents the actuation of the lock on start-up
- Electronic overload protection and restart protection
- Metabo VibraTech (MVT): integrated damping system and side handle to reduce vibrations in order to protect the user's health
- Metabo safety switch prevents unintentional start
- Auto-stop carbon brushes to protect the motor
- LED signal indicates triggered restart protection or overheating

Order no.	606478420
EAN code	4007430337924
Grinding wheel Ø	180 mm
No-load speed	8.450 rpm
Revolutions at rated load	5.800 rpm
Torque	14 Nm
Spindle thread	5/8" - 11 UNC
Weight (without power cable)	5,9 kg
Cable length	4 m

Scope of delivery

Guard, Metabo VibraTech (MVT) side handle
